

Costume for the Weekend

Period costume is admired and encouraged but is **not required** – please do not feel that you must have spectacular (or even unspectacular) Regency-era costume to attend.

Dress is formal for the ball, informal for the card party (please, no jeans or t-shirts), and modern comfortable/casual for the workshop. Should you wish to dress in historical style, more information about suitable day and evening costume is available on our website.

Registration

Please use the enclosed form to register for the weekend. *Advance reservations are strongly recommended*, as the Assembly is strictly limited to 60 attendees and may sell out in advance.

For more information about the Assembly,
please email:
